Innovators of Environmentally Safe Products for Wood and Leather

## PINE FRAGRANCE

This is a splendid aroma of a fresh pine forest in a bottle. It is perfect for adding the smell of Pine and Balsam Fir to your wood items, Christmas trees, wreaths, centerpieces, etc. It can also be used a room fragrance.

**Directions:** Gently spray a light mist of Pine Fragrance on the surface of your item(s). Usually one application is sufficient; however repeat applications as desired letting the fragrance dry 10-15 minutes in between.

Pine Fragrance will dry quickly and not harm the finish on wood. It can be used on fresh and artificial trees.

Note: This fragrance is made from real Pine and Balsam Fir. Avoid contact with skin and eyes.

Keep out of the Reach of Children
