

## RESTORATION LEATHER CONDITIONER

This is a high quality leather conditioner recommended for treating leather that is starting to show signs of deterioration. It fixes to the leather to prevent migration and stops further deterioration. ***Restoration Leather Conditioner*** is ideal for treating leather book bindings as it will not harm the stitching or the glue. This product is non-toxic and contains low VOCs.

***Restoration Leather Conditioner*** will not darken the leather or leave it tacky.

### **Directions**

Apply and even coating to clean leather using a lint-free rag or sponge brush. If possible, apply to both sides of the leather. Allow the first coat to dry and then re-apply an additional coat. When treating leather book bindings, use caution not to allow the ***Restoration Leather Conditioner*** to contact the paper.

### **Coverage**

An 8 ounce size bottle of ***Restoration Leather Conditioner*** will treat approximately 8 - 12 leather books or 1- 2 antique leather articles such as saddles, gun cases or holsters.

DISCLAIMER: Being that leather is a natural material and is susceptible to varying degrees of deterioration, experience of the user and may be applied under conditions beyond our control, as seller, we make no warranty expressed or implied as to this material or its use. All information stated herein is accurate to the best of our knowledge and is based on thorough testing.
